HOTEL CAPACITY. :

10,957 guests.

Permanent hotels under construc-

tion, to accommodate 3,550 guests.

World's Fair hotels under construction or contracted for, 15,000 guests.

Total, 30,517 guests. The foregoing does not include innumerable first-class apartmenthouses, furnished-room and board-

ing houses of different grades which officials of the Real Estate Exchange • declare are sufficient to take care of • ♦ at least 100,000 additional visitors ♦ Many more temporary hotels are opposed in the vicinity of the Ex-

projected in the vermity of the position grounds, and when the Fair opens, it is stated, St. Louis may afford accommodations for fully 150,000 visitors a day without crowding. · visitors a day without crowding. E+++++++++++++++ Union Station Hotel. It will be completed

in September and probably will be leased in the next few days. The hostelry across the street has been leased by the Stillwell Catering Company.

The Hotel Milton, in course of construc-

tion at the southeast corner of Eighteenth and Chestnut streets, will be finished in December and will accommodate 200 guests in mfortable manner. The old Loretto Academy building, at Jeferson avenue and Pine street, is being

made into a hotel under the direction of the Mercantile Trust Company, the work to be completed by October 1. It will take care of 200 persons.

Recently the Merchants' Hotel, at Twelfth

and Olive streets, which was not used for a year or more, has been renovated by the Stillwell Company and is now ready to Many plans have been made to convert

downtown buildings into hotels for the Excarried out will be that of C. W. Wall, who will improve the property at the southeast corner of Eighth and Pine streets. The capacity of the hotel will be 300 guests. WORLD'S FAIR HOTELS.

Four big temporary hotels on or near the World's Fair grounds are under contract, the first being the hostelry to be erected by the Exposition Company. The others are the Fraternal Hetel, on Oakland avenue; the Christian Endeavor Hotel and the one now in course of construction at University Heights. All are to be mammoth structures. The University Heights Conipany is planning another hotel to contain 2,000 rooms and the Park View Realty Company has under consideration a proposition to build fifty temporary apartment-houses, with a total capacity of more than 10,000 guests. Other schemes of a similar nature are ma-turing, but are not counted in the table of

on the subject of apartment, boarding and furnished-room houses, members of the Real Estate Exchange agree that fully 100,-000 visitors would have no difficulty in ob-taining comfortable accommodations in

such places.

St. Louis, it is pointed out, is intensely democratic, and the great majority of householders are ready and willing to take care of those persons who come here and prefer not to go to hetels. It will be an easy mat-

ter, it is thought, for the Exposition management to readily direct visitors to places where they may find reliable accommoda

On the day of the dedication, it will be re called, hundreds of boarding, and even private, houses were ready to receive from one to a dozen visitors each, but, large as the crowd was, the quarters were not in demand.

"From having studied the situation," said Mr. Schiele, "I know that St. Louis will be prepared to handle the greatest throngs of visitors the Exposition management could reasonably expect. And the people should know this."

MONEY FOR ARTIFICIAL FOOT.

Sympathizers Contribuate \$47.75 to Assist Mrs. Louisa Ritzel.

The sum necessary to buy an artificial foot for Mrs. Louisa Ritzel, an inmate of the Poorhouse, has been raised, and by August 5 she will be able to earn her own living as a cook.

While 47.75 was raised for Mrs. Ritzel. only \$45 is necessary for the purchase of the artificial foot, because of the kindness of E. Chapman, and the balance will be used to buy clothing for the unfortunate woman.

Eight children raised \$17.26 by giving an

entertainment. The contributions from va-rious sources were as follows: | Tious sources were as follows:

FREE CONCERT FOR CHILDREN.

Pleasant Entertainment Arranged for Vacation Playgrounds.

Another free concert for the children of the Civic Improvement League's playgrounds will be given to-morrow night by the Musicians' Mutual Benefit Association. The concert will be given this time at the playgrounds situated at the corner of Ashley and Collins streets.

This is one of the most popular of the

league's playgrounds, and is in a community where every inhabitant appreciates its value. The children take great delight in the free baths at this place.

The boys of the league's playgrounds have been invited by Mr. M. S. Robinson to witness the ball game on August 7, between the Cardinals and the Cincinnait team Many of them have never seen a professional ball game and are very eagerly looking forward to the event.

COTTON KING SULLY RETURNS. Report That He Organized Great Pool in Europe.

New York, Aug. 1.—Daniel J. Sully, former cotton king, who, after making several millions of dollars, sailed for Europe, returned home on the Cunard liner Lucania to-day. There was a report that Mr. Sully had or-ganized a great pool in cotton on the other side, but he would not confirm it.

New St. Louis Corporations. The Under and Over the Seat Company filed articles of incorporation with the Recorder of Deeds yesterday; capital, 200,200, all paid, Stockholders—W. Russell Samuels, 1,997 shares; F. Colpetser, John J. Dunayant and F. M. Williama, one share each

JOSEPH L. SCHULER IS FINED. Charged in Police Court With Violating Milk Ordinance.

Joseph L. Schuler, proprietor of the Irving Dairy, was fined in the First District Court yesterday for violating city ordinaces concerning the sale of milk. He was fined \$25 for selling cream below the legal limit of composition, and \$25 for selling cream colored with annate. Witnesses testifled that the Irving Dairy has been violating the ordinances all winter.

TENNESSEE'S PARDNER" DEAD CARPET IS HIS BAROMETER.

THE HAMILTON, AT HAPILITON, AND MAPLE

Bret Harte's Famous Story.

San Francisco, Aug. 1.-James H. Chaffee one of the heroes of Bret Harte's story, "Tennessee's Pardner," is dead in Oakland at the age of 80 years. For fifty-four years he and his old partner, Chamberlin, lived he and his old partner, Chamberlin, lived and mined and trusted each other, no shadow ever clouding their friendship, and it was the chivalrous affection which existed between these two men, which Bret Harte painted in his incomparable manner.

The partners lived for years at "Second Garrotte," forty miles distant from the Yosemite, and thousands of Americans and people from all parts of the world whe have visited the valley have met the old pioneers. Chaffee was born at Worcester, Mass.

proaching Storm. REPUBLIC SPECIAL.
Columbia, Mo., Aug. 1.—Perhaps the most

peculiar barometer in existence is a carpet owned by Doctor Eimer Smith of Columbia. From twenty-four to forty-eight hours before a rain the carpet becomes so loose that it is almost impossible to sweep it. Many ingrain carpets become loose dur-

thing about this carpet is that in the adcut from the same piece which remains perfectly quiescent, while its companion just across the doorsill manifests great agita-tion at an approaching rain.

\$------A SWORN STATEMENT.

CITY OF DENVER; County of Arapahoe,

I, the manager of the English Restorative Co. first being duly aworn, on cath Restorative Co. first being duly aworn to the polsonous and are that it contains none of the polsonous and are that it contains none of the polsonous and are that it contains none of the polsonous and are that it contains none companied for Sexual Debility which have been examined by me, and that the ingredients of this Restorative are herbal and that they could not possibly injure a child, even if taken in full dones, further, that I have been associated with the discoverer of this treatment ever slince it has been offered the public as a positive and unfailing cure for Sexual Neurasschenia and Associate Diseases or Weaknesses, and that I am fully cognizant of the wast number of cures it has and is making, and am assured these cures are permanent and lasting. I am further prepared to swear that it is a positive and absolute specific for Weaknesses of the Sexual Organism in any form and that it is the only treatment which will produce growth or development where atrophy or abrinkage exists, and which will cure Varicocele. I firmly believe the Sir John Hampton Vital Restorative to be the only real cure ever offered men, and I make these statements voluntarily and without compensation, knowing the great good this treatment will do men who need it.

The manager of the English Restorative Co. personally known to me, has appeared before me, a notary for the county of Arapahoe and State of Colorado, and swore to the foregoing.

MARTIN H. SMITTH Notary Public. My commission expires March 5, 1995.
